

## Some pictures of my own horn-speakers

**Manufacturing of the electrical part,  
design, engineering and development by  
Barbara E. Gerhold, *tubeclinic*, Linz / Austria  
<http://www.tubeclinic.com>**

**Best furniture quality woodwork by our carpenter  
Karl Winkler, Schenkenfelden / Austria**

**A specimen, built from fiberboard**

**All used wooden parts after veneering and lacquering**

**Starting to glue**

**A side view**

**Detail view of pressure chamber and horn throat**

**Finished, only the sidewall left to glue**
